Just Because..(A Friendly Reminder)~Angel

Just because my art isn't as good,

Or my Rping isn't as long,

Or I'm not as "mature" in my thoughts/ideas or prompts,

Or my characters aren't as "developed",

Or I struggle to be descriptive and write well,

Doesn't mean my experiences,

Or ideas,

Or imagination,

Or feelings,

Or thoughts,

Or dreams,

Are invalid or aren't as good as anyone else's.

(The "My" and "Me" are more relating to the reader than specifically myself, though I do relate to it as well. [does that make sense?]).

This is very true. Being listened to should not have to be earned.

I agree with both Angel and SandWings (who, let's face it, has the one of the best usernames on this website.). Why should you have to earn the care of others?

Generally speaking being unable to produce something good does in fact render the idea that produced said thing worthless.

Jim's argument is valid, optimistic or not; however, it is also irrelevant
